

**Embraer Football Tournament 2023**  
**Amsterdam, Netherlands**  
**3<sup>rd</sup> June 2023**

- All participants must register individually via the link in the invitation. Participants must be airline employees and/or business partners of Embraer. Registering parties who do not work for an airline or other business partners of Embraer will not be accepted as participants. The number of participants is limited so teams will be accommodated on a first come first serve basis. Participants are not fully registered until they receive a confirmation email from Embraer. Registration via the system alone does not suffice to guarantee participation.
  
- Embraer arranges for and covers the cost of accommodation for two nights (2<sup>nd</sup> and 3<sup>rd</sup> June 2023) incl breakfast for participants that are airline employees. Participants that are employees of other entities, such as lessors or other suppliers, are required to cover the cost of their accommodation themselves. They can, however, benefit from the specially negotiated hotel rate at the Park Plaza Amsterdam Airport.  
Accommodation consists of twin rooms to be shared by two players. Female participants will receive an individual room, unless there are two female players in a team.  
Also covered are:
  - Bus transfers to and from the football fields; to the dinner location and back to the hotel on Saturday 3<sup>rd</sup> June
  - Catering during the tournament and dinner on Saturday evening.

Any additional costs (room service/mini bar, taxi fares etc.) outside the above-mentioned have to be covered by the participants themselves.
  
- Matches are played 7-a-side on half-size fields. Each airline can send one team. Teams can consist of up to 10 players. If a team does not have enough players, please inform Embraer so that substitute players can be provided to complete the team. If a team wishes to send more than 10 players, any additional person will need to cover the costs of their accommodation themselves. Spectators are of course welcome, however, any non-players will need to cover the costs of their accommodation themselves.  
If an airline wishes to send two teams, the second team must consist of a guaranteed number of 10 players. Embraer will not provide substitute players for a second team. Accommodation for the second team will not be covered by Embraer.
  
- All participants must ensure to have adequate insurance coverage for active sports events abroad. All participants must be able to provide proof of insurance (insurance card) during the event.
  
- After the registration deadline, you will receive confirmation of your participation including detailed information on the event itself, the hotel and any other necessary information.
